- **No entry.**
- ONE WAY **Temporary or existing one-way.**

Main diversion

1. **Navigation St:** U-turn at Mailbox Sq and come back.
2. **Hill St:** turn in. One way, single lane.
3. **Station St:** turn left.
4. **Dudley St, Hinckley St:** right, then right.
5. **Theatre Approach:** turn left.
6. **Smallbrook Queensway:** turn left, U-turn at the gap and come back.
7. **Holloway Circus:** go round to Suffolk St Queensway.
8. **Diversion ends** on the off-slip by the Mailbox.

Local route

A. **Lower Hill St:** right to step 3, left to John Bright St.
B. **Station St:** follow the bend into John Bright St.
C. **Suffolk Place:** turn left.
D. **Suffolk St Queensway:** turn left and merge. Stay ahead to Holloway Circus.
E. **Holloway Circus:** go right round and back up Suffolk St Queensway to the off-slip by the Mailbox (step 8).

Tunnel to Holloway Circus: open both ways.

Beak St, Lower Severn St, north John Bright St: one-way loop. Exit right only into Suffolk Place.

New Street drop and go: follow signs to Navigation St.

On-site signs always take priority over this map.
